Dear Principal,

Warmest greetings from the Association of English Medium Secondary Schools (AEMSS)! The executive committee of AEMSS would like to express our heartfelt thanks to your cooperation and support in the past years on providing the opportunities to uphold teaching in the medium of English for our next generations. We hope you and all your colleagues have a rewarding and prosperous new school year.

The AEMSS was established in November 2000. Our aims are to promote English as the medium of instruction in schools, to plan for the future development of English medium schools in collaboration with the Government, enhance the image of English medium schools, seek parity treatment with other public sector schools, and canvass support from parents and community.

May I take this opportunity to thank you all for your support again in the past years, and we sincerely invite your school to join our Association as Full member or Associate member. Please refer to the attached membership renewal form for details of the membership, and return it by fax to Mr. TAM Kim Hung, Principal of True Light Girls' College (fax number 2782 5300).

The Annual General Meeting of 2019 has been scheduled in the afternoon on 11 November 2019 (Monday). This year we are honoured to have Dr Annisa Chan, Chairman of Task Force on Review on School Curriculum, to join us as our officiating Guest of Honour and share with us her view on "Curriculum – The Way Forward".. Details of the AGM and a form for you to write questions for Dr Chan are attached.

We look forward to meeting you at the AGM and in our coming activities.

Yours sincerely,

---
